

**BEARING & TOOL CENTRE**, A Proprietorship concern established in 1981, with 29 teammates, and sales of 17 Crore in the year 2016-17, within and outside India.

**Vision** :Establish ourselves as **Promoter and Distributor of Brands** which provide **Value for Money Products** in the field of Dimension & Testing at National Level.

**Process to achieve our Vision** :We create awareness through Industrial Exhibitions, Websites, E-Commerce websites, & mails to update the visitors / customers and stay connected with them. This generates demand and we fulfill the same, by timely supply through our distribution channel at reasonable prices.

**Values** :Provide Solution & Serve without Expectations.

**Success in Branding :**

- ◆ Our Contribution in promoting brands like **Kann, Metrix+,MGW, Peacock, Ultra** And **Utek** have made them more popular.
- ◆ Fixed Pricing, and Immediate Quotes.
- ◆ Sales, Repairs, Spares & Calibration under one roof.

**Looking For :** We are interested in tying up with National and International Brands that are looking for some assistance to develop their market in India.

**Terms & Condition -**

- 1.Payment Against Proforma Invoice, Packing, forwarding & freight extra.
- 2.Prices Subject to revision from July 1,2017 if there is effect of GST on our prices.
